CORDING CEREMONY

WHAT YOU NEED TO KNOW...

Cords are worn by student-athletes at graduation to represent their participation in high school athletics.

WHITE CORD = Completes 1 sport each year

WHITE & MAROON CORDS = Completes 2 sports each year

WHITE, MAROON & BLUE CORDS = Completes 3 sports each year

For a student-athlete to earn a cord they must complete one sport each year of a sports season (Fall, Winter, or Spring). Eligible athletes are determined by the Athletic Department while the Boosters fund and organize the event.

The Cording Ceremony is an opportunity to celebrate and share in the success of your child's athletic career. Each parent/guardian who volunteers 24 hours through Athletic Booster-sponsored events can be part of the Cording Ceremony. You can earn 24 hours in 1 year, or spread them over 4 years. If you volunteer more than 24 hours, you can donate up to 12 hours to a friend who has volunteered at least 12 hours. If one parent earns 48+ hours, they may donate hours to the other parent.

CLASS OF 2024, 2025 & 2026

24 Hours Per Person Cording

CLASS OF 2023

22 Hours Per Person Cording*

*Classes with lower hours required are to accommodate for seasons missed due to COVID restrictions.
