

Windham Raymond Athletic Boosters

Scholarship Application 2023

The Windham Raymond Athletic Boosters scholarship is awarded to student athletes that enhance the boosters mission by exemplifying the qualities of a positive role model in the school and athletic community.

The Windham Raymond Athletic Boosters have a mission to:

1. Fundraise to support athletic programs
2. Promote school spirit throughout the high school and community at large
3. Support student athletes to achieve excellence in academics, athletics and sportsmanship.

Windham Raymond Athletic Boosters will award a \$1000 scholarship to 4 Windham High School seniors. The scholarships will be awarded to two female and two male athletes. A check for \$500 will be submitted to the college that the student will attend in the fall of their freshman year. Upon completion of the first semester, the scholarship recipient must submit a fall transcript to the guidance department of Windham High School. If the student has maintained a GPA of 2.0 and received their credits, the guidance department will forward their approval to the Boosters board. The Boosters treasurer will write a check for the remaining \$500 to the school of enrollment. This transcript documentation must be submitted no later than March 1 of their freshman year in order to receive the payment. If the documentation is not received, the scholarship money will be forfeited. No check will be made out directly to the student. The check will only be directed to the educational institution of enrollment.
