

Windham Raymond Athletic Boosters Volunteer Hour Guideline

The following are requirements for volunteer hours.

To be eligible to cord your athlete their senior year, the following must be completed:

Class of 2023 – 22 hours required

Class of 2024 and beyond – 24 hours required

What if I have more than one student?

Hours earned for one student can be rolled over to the next student should you go above the necessary hours earned. You can earn hours until your youngest student has graduated High School. It is up to the parent/guardian to report the graduating year(s) of their students.

Can my hours be gifted or transferred?

Up to 12 hours may be gifted or transferred to parents/guardians that are not related to the student if that volunteer has already completed 12 hours of volunteer service.

Can I earn hours for my spouse/significant other?

Up to 24 hours may be earned and transferred to the spouse/significant other of a volunteer allowing both adults to cord the same student.

How can I earn hours?

The Athletic Boosters has a wide-variety of opportunities to volunteer to ensure parents/guardians can cord their student-athlete. Some examples include:

- Volunteering to work the concessions at a sporting event
 - An individual must sign up for a job, complete the time and sign in/out
- Donating a requested food item for a Booster-sponsored event
 - This includes: Crockpot Meal, Drinks, Bake Goods
- Assisting the Athletic Department or a Team by engaging in a specific task during a game/competition
 - Examples that qualify include:
 - Timer at swim meets
 - Gate Keepers at ski meets
 - Chain Crew at football games (First, JV and Varsity)
 - Softball scoreboard operator (Varsity)
 - Volleyball line judges and Libero Tracker (JV and Varsity)
 - It is the responsibility of the volunteer to report the hours and the event to the Boosters Volunteer Coordinator to receive credit for the hours. Activities that only benefit the team (i.e. video recording and keeping stats) do not qualify for volunteer hours.
- Volunteering for a role at the craft fair
 - Roles include setup, breakdown, concessions, runners and food donations
- Volunteering for Summerfest activities and providing donations as requested by the Boosters
- Signing up for other sponsored Booster activities and events

Activities that involve fundraising or team building for a specific team/sport that is not sponsored by Boosters does not qualify for Boosters Volunteer Hours.
